

Dear ICA Colleagues,

In a recent blog on the ICA website, I mentioned the decision to move the dates for the ICC2021 in Florence Italy from July to December 14-18, 2021 in response to the current effects of the pandemic. With this extended period, the ICC2021 Local Organizing Committee very recently revised the dates for submitting full papers and abstracts. The new dates are posted on the ICC2021 website (<https://www.icc2021.net/>) and also are provided below.

IMPORTANT DATES

Full Papers Submission Closing	March 19, 2021
Abstracts Submission Closing	May 28, 2021
Notification Of Acceptance For Full Papers	July 2, 2021
Notification Of Acceptance For Abstracts	July 2, 2021
Submission Of Final Manuscripts	July 30, 2021

Please share this information with colleagues to promote the 30th International Cartographic Conference in Florence, Italy.
